

Workshop on ADVANCED RESEARCH METHODOLOGY

19 Jan - 27 Jan 2019

Organized by

ARMY INSTITUTE OF MANAGEMENT, KOLKATA
(Affiliated to MAKAUT, W.B., Approved by AICTE)
(NAAC Accredited, ISO 9001:2015 Certified)

Faculty members represent one of the most important components of formal education process across the world along with students and the educational institution. Since ages the education process has remained participative in nature where student's academic and overall development is guided by the faculty inputs. Also, education in any sphere is getting highly dynamic by the day and in order to keep pace with the recent developments in academia, workshops become imperative, especially for educators at higher education level (Post Graduate). Such programs are aimed at enhancing the academic and intellectual capacity of an individual.

We at Army Institute of Management Kolkata, strive to pursue and promote quality research and training and hence intend to conduct a workshop on Advance Research Methodology from 19 Jan to 27 Jan 2019 (seven days) between 10.00 hrs and 16.30 hrs (each day). It will not only sharpen the skills of the faculty members but will also help them contribute to quality research and in training their students. Four eminent trainers who are expert in their domains will be taking the sessions.
